Dear Mr. Pfau:

To call you an angel, would be an understatement. There are simply no words that can express our gratitude for what you have done.

Our students and staff will truly be excited upon return to see:

Fifteen new student desktop computers

10 new teacher desktop computers

Two smartboards

Promotionals-advertisement

Resurfacing of hallway floors

New emergency response panel

Total : 50,000.00

Your generosity truly provided our school with many needed services and equipment that otherwise would not have been purchased. Our EIN is 56-2468311, and we are a 501(C)3 organization.

Please feel free to contact me should you have any questions at 513-421-7519.

Sincerely,

Andrea J. Martinez
